**TOWN OF BLOOMFIELD
NOTICE OF PUBLIC HEARING
COMPREHENSIVE PLAN**

PLEASE TAKE NOTICE THAT the Planning Commission and the Bloomfield Town Board will hold a public hearing on the proposed adoption of the **TOWN OF BLOOMFIELD 20-YEAR COMPREHENSIVE PLAN**. The public hearing will be held on Tuesday, March 20, 2007, at 7:00 pm at the Tustin Volunteer Fire Department located at N5115 Center Street in Tustin. The Bloomfield Town Board will take action following the public hearing on the proposed adoption of the **TOWN OF BLOOMFIELD 20-YEAR COMPREHENSIVE PLAN** at the Town Board meeting on Tuesday, April 10, 2007.

The Comprehensive Plan is a statement of public policy concerning the conservation and development of the Town. The plan provides a guide to where future growth and development should occur within and around the town over the next 20 years. When the town makes future decisions concerning land use development, the plan will be consulted. The plan inventoried and analyzed the town's physical setting, natural features, land use, population figures, economics, housing stock, transportation and community facilities. Using these inventories and the plan's goals and objectives, the town developed a preferred land use plan for the Town of Bloomfield.

The Town of Bloomfield Plan Commission, together with the East Central Wisconsin Regional Planning Commission, worked to develop the **TOWN OF BLOOMFIELD 20-YEAR COMPREHENSIVE PLAN** within a 3-year timeframe. If anyone would like additional information regarding the proposed comprehensive plan, please contact Kathy Thunes at East Central Wisconsin Regional Planning Commission, at (920) 751-4770.

Copies of the proposed **TOWN OF BLOOMFIELD 20-YEAR COMPREHENSIVE PLAN** are available for review at the following locations after February 20, 2007:

Neuschafer Community Library, 317 Wolf River Drive in Fremont.

Poy Sippi Library, W2251 Commercial Street in Poy Sippi.

University of Wisconsin Extension Offices (Room 24) at the Waushara County Courthouse, 209 S. St. Marie Street in Wautoma.

East Central Wisconsin Regional Planning Commission, 132 Main Street in Menasha.

If special arrangements are necessary to accommodate individuals with disabilities, please contact Jean Smith (920) 446-3368 at least 2 days prior to the public hearing.

Bloomfield to Hold Public Comprehensive Planning Informational Meetings

The Town of Bloomfield will be holding a public informational meeting discussing the *Town of Bloomfield Comprehensive Plan* on Wednesday, November 8 at the West Bloomfield Fire Department. Bloomfield residents, property owners, neighboring community members, and interested citizens are invited to receive a progress report of the planning process to date.

A committee of Bloomfield residents has been actively preparing the plan since early 2005. Public input on the overall goals, objectives, and strategies contained within the plan are welcomed. Copies of the draft comprehensive plans will be available for review in early January.

Jon Motquin, Associate Planner, East Central Wisconsin Regional Planning Commission
Jean Smith, Town Clerk, Town of Bloomfield

Bloomfield to Present Preliminary Plan

The Town of Bloomfield will present its preliminary comprehensive plan from 5:30 P.M. to 7:30 P.M. Tuesday, October 24. An open house will be held at Pier 13, W213 County Road H, in Tustin. A second meeting will be held at 6:30 P.M. Tuesday, November 14, immediately before the town board meeting at the Tustin Fire Department. Public participation is vital as the town is nearing the end of the planning process.

All landowners are encouraged to attend and offer comments on the Future Land Use Map. The town has indicated preferred locations for the following development types: single family residential, mixed-use commercial-residential, resource protection, and small scale industrial.

Bloomfield's plan covers the nine elements required by Wisconsin Statutes. Later, implementation tools will be developed to carry out the goals and objectives of the plan. The Future Land Use Map will be available for interested citizens to pick up at the information meetings and the Tustin and West Bloomfield Fire Departments starting October 25, 2006. The final draft version of the plan will be available for public review in early 2007.
